FIRE AT KANSAS CITY.

Has Visited the City For Feveral Years. Kansas Crrv, Mo., Jan. 18.—A de structive fire occurred last night in the Deardorff building, which is located at the southeast corner of Eleventh and assenger train with the Andrews Main streets. The building is four pera company on board left West Su-stories in height and has a frontage of perior at milinight for Grand Forks. 100 feet. The fire started in the room occupied by the Benjamin Jewelry Co., in the second story of that part of the building that is at No. 1105 Main street. It rapidly spread to 1107, the last of the

four numbers occupied by the building. The value of the property involved was nearly \$225,000. The aggregate loss will, according to members of the fire department, amount to almost making the net loss about \$41,000.

ages of the fire. All the floors of the ometer reaching 36 below—their suf-cring was terrible.

At this time it was discovered that the PA interest and Tillia Walls of the firemen. Several of the hose burst, causing streams of spray to Mrs Ed Andrews and Tillie Wallace, rise in the air and fall upon the fire her mald, were missing, but no human men. Soon they were a mass of ice. effort could render them assistance, as The bursting of the hose reduced the the car was a mass of flames. The inred were placed in a buggage car and thrown from them, and thereby made ought to Brainerd. The list of the dead and injured as guish the blaze less effective. The

> was outside the building. Soon the Wallace, of Minneapolls, telegraph wires and the poles upon which they were strung in front of the building were coated with ice. About two-thirds of the entire loss was covered by insurance. The build-ing, which was owned by the Deardorff estate and valued at \$60,000, is covered by \$30,000 insurance, while the loss of rent is covered by \$10,000 insurance.

The Irwin & Eaton Crockery Co.'s stock was valued at \$40,000. Insurance not given. George Andrews, barytone, burned Co.'s stock of clothing amounts to \$60,-000. The value of the stock is roughly estimated at from \$75,000 to \$80,000. About one-half of the entire stock owned by the firm had been removed to the new Deardorff building on Walnut street, while their own store rooms were being repaired, making its loss

The S. D. Mills Jewelry Co. has its loss, which amounts to about \$10,000, fairly well covered by insurance.

Bert Lincoln, chorus, arm fractured.

The Boston dry goods store suffered in E Moody, leader of orchestra, a loss of about \$1,500 on account of water. It carried \$60,000 insurance. Considerable loss was sustained on personal effects of people who had offi-ces in the building. There is insurance held on the property in some of the principal offices, but the flames made an absolute loss to the owners of most

of the personal and private effects. Irwin & Eaton have been peculiarly unfortunate. Something less than three years ago their store on Delaware
